A COOPER AEROBICS COMPANY

July 11, 2009

at Craig Ranch

a TXBRA State Cup event

USAC permit pending.

Presented by [IC3 North Texas](#), [Richardson Bike Mart](#) and [Cooper Fitness Center at Craig Ranch](#).

The course is located immediately east of the Cooper Clinic in McKinney, TX. It is NW of the intersection of Collin McKinney Parkway and Alma Dr. It is a residential development with no dwellings. The entire course is smooth concrete and *very technical*. There are 10 turns for the more experienced categories. We will do a course change after the Mens' P12 to make it 8 corners.
