More Details (i.e. Fine Print)

The Roundup is a high school race also offering **standard USAC races**. Promoter reserves the right to reduce payout, combine races, adjust length, or otherwise alter things in any category where less than 15 racers pre-register. * Women Open and Masters 40+ will be scored and paid separately. Assuming all races have at least 15 pre-registered riders the minimum total prize list will be \$425. No matter what no category's prize list will exceed \$1,999. But really, you should all be able to do math...the real prize list could be less or more based on how many people pre-register. In 2009 for example the p/1/2/3 paid \$545 while the 3/4 paid \$370.

Proceeds will benefit the *Jesuit Cycling Club* and *Texas High School Cycling League*.

Held rain or shine... no refunds.

Payout percentage is based upon the number of pre-registered riders

All USAC Rules apply – all racers must have a certified cycling helmet on their head when on their bike. All racers under 18 **MUST** have a signed parental permission slip (available on site or at http://www.usacycling.org/forms/waiver.php?url=rider_release.pdf) to race – **NO EXCEPTIONS**. All juniors (18 & under) must also be able to pass junior roll out.

Pre-reg is \$10 for H.S. cats & \$13 for College cats; all others \$25 at bikereg.com (online service fees will apply). On-site registration \$10 service fee (\$5 service fee for H.S. & College) Pre-reg ends: Thursday March, 11th, 2010 at 12:00 noon CST. USAC Licenses required. One-day licenses will be sold on-site. Registration and number pick-up begins 7:00am the day of the event in the East parking lot of the Celina High School and ends 30 minutes prior to each race. Promoter reserves the right to adjust start times and race length. Promoter reserves the right to combine or cancel events with less than 20 registered riders.

USA Cycling Permit Applied for.

Directions: Celina High School: 3455 N. Preston Rd. Celina, TX 75009: Really now directions depend on where you are driving from...so use a map! Most people I suppose have access to an on-line direction device either via the internet at home beforehand or via cell phone / GPS devices so just plug the address in and go...

BUT the vast majority of people however will be going North on Preston Road (State Hwy 289) from the intersection of State Hwy 289 and State Hwy 380. Drive North through Prosper...and through Celina. The high school is a few miles north of the actual town of Celina. It is a large school looking building up on a hill on the East side of State Hwy 289 after a couple miles of nothing but pastureland.

HIGH SCHOOL CATEGORIES EXPLAINED

PARTICIPANTS

The high school races are for all racers who are also attending public or private high school (grades 9-12). Sorry but home-school students must have prior written consent from the league director (aarmstrong@jesuitcp.org) in order to compete.

TEAMS

Teams in the high school categories must be comprised of students from the same high school. Districts may compose composite teams representing all high schools in their district. High school teams are encouraged to wear some sort of uniform jersey or T-shirt designating their high school but this is not a requirement. There is no minimum or maximum requirement for the number of racers from one high school (teams of one are ok!) however all racers must attend high school at that school or in that district. Teams do not need to obtain an 'official status' at their school.

HIGH SCHOOL TEAM SCORING

Trophies/medals will be awarded to the top three overall high school teams. Teams are placed based on combined point totals for the high school races.

POINT SYSTEM

Points are awarded for the top 20 finishers in category "A" and the top 15 finishers in category "B" If there is only one category then the points schedule follows that of category "A." Women will be scored separately and points will go to the top 15 finishers. Points will also be awarded on Prime laps. If you DNF (did not finish), you will not be awarded any points for that race.

CATEGORIES:

A: High School students who are experienced racers and/or a category 3 or higher on the road.

B: High School students with limited to no racing experience and/or who are category 4 or 5 on the road.

Women: Female high school students of any experience / ability.

Students may only compete in one h.s. category per race. (Either A or B but not both)

Team Time Trial: Teams consist of a minimum of 2 racers from the same school and a maximum of 3. The time for the team is taken from the wheel of the second rider across the line. Only one team from each school will score points.

Point Schedule:

Top 20 in category A: 100, 95, 90, 85, 80, 75, 70, 65, 60, 55, 50, 45, 40, 35, 30, 25, 20, 15, 10, 5

Top 10 in category B: 50, 45, 40, 35, 30, 25, 20, 15, 10, 5
