

# presents the 3rd Annual Sugar Land Criterium

sugar land / missouri city

## Course Description

A pedestrian-oriented, main-street city center and a central business district that is within walking distance of stores, services, restaurants, sidewalk cafes, entertainment and a hotel and conference center. Festival and race events will take place in the centerpiece of Sugar Land Town Square: an active, 1.4 acre plaza. The 1-mile race course is fast, flat and punctuated with sweeping turns giving racers a chance to test their skills. The Square offers a unique opportunity for spectators to get up close to the action.
