## Course Description and Directions:

- **Saturday's St. Jerome's Grand Prix** is going to be a europic - both euro and EPIC!!!™ - road race with 18 turns for each 16 mile loop. Small roads, windy sections, ups and downs, and a finish at the top of a 1-mile false flat. **Sunday's Omloop** boasts a fast 2.1 mile circuit with one slightly uphill 90-degree left hand turn, a tough little climb, a stunningly scenic overlook of Canyon Lake, a rapid descent, another left hand bend and a quick run-in to the finish. This is great course and Tobin always dials up the good weather.
