2011 Annual Superdrome racing fee (\$10) required of all racers. **Use your 2011 Superdrome Racing number.**

**Field minimum** for each category is 8 riders. **Field maximum** is 24 (or, 16 for Category 4 fields).

Organizer may modify payouts and/or combine categories if field minimums are not met.

Schedule and race distances may be modified, or fields combined, in order to meet time constraints.

**TOP THREE finishers receive payout** in EACH of Six Races per (Non-Elite) category. Texas cup points awarded on each individual race.

**Elite Men and Elite Women** payout on each race (\$50 to each race winner) AND for weekend omnium (\$700/7 places). Weekend Omnium uses "international omnium" tabulation. Add up all 6 race places - lowest total wins. Unlike a true "international omnium", a racer is not required to start or finish each race to continue. Elite Racers must complete four of the six weekend races to be eligible for Weekend omnium scoring. Elite Racers may replace the lowest of six weekend race finishes with their Overall finish in 5/20 Friday night racing.
