Men 3/4	\$250 / 5 places	25 / 50	100	\$35 / 45	3:30 pm

Cedar Hill State Park: 1570 FM 1382 Cedar Hill, TX 75104. **All people entering the park 13 and over must pay the park entrance fee.**

The Road Race is a 2 mile loop of the interior road at Cedar Hill State Park. The road is beautifully smooth and hopefully racers will have the whole road as we're trying to turn it into a one-way traffic pattern. The course is twisty and undulating with great road surfaces.

The Cedar Hill Race Festival is a collaborative effort between the Texas High School Cycling League, Cedar Hill, and Cedar Hill State Park. It is also a fundraiser for the TXHSCL but the races are **standard USAC races**. Promoter reserves the right to reduce payout, combine races, adjust length, or alter things if less than 15 racers pre-register for a race. *Women Open scored and paid separately from the masters. ** Masters 40+, 50+, 60+ is open and all three will race for the same prize list but be scored separately. Minimum total prize list will be \$1,500. No matter what no category's prize list will exceed \$1,999.

Held rain or shine... no refunds.

All USAC Rules apply – all racers must have a certified cycling helmet on their head when on a bike. All racers under 18 **MUST** have a signed parental permission slip to race – **NO EXCEPTIONS**. (Available on site or at http://www.usacycling.org/forms/waiver.php?url=rider_release.pdf) Juniors (18 & under) must pass Jr. roll out.

Pre-reg at bikereg.com (online service fees will apply). On-site registration \$10 extra (\$5 extra for H.S.) Pre-reg ends: Thursday February, 9th, 2012 at 12:00 noon CST. USAC Licenses required. One-day licenses will be sold on-site. Registration and number pick-up begins 6:30am the day of the event and ends 15 minutes prior to each race.

USA Cycling Permit # 2012-426
