# RACE AROUND AUSTIN 2016

## #RAA2016

You and your team will not want to miss out on the most fun you will have on your bike all year: RAA 2016!

**How it works** - first you will form a team that consists of 5 people: boys, girls, transgender... it doesn't matter!

You will all pick up your packets on Friday before race day. Packet pickup information is TBA. In the packet will be three addresses. Your entire team will be expected to check in at each address. Your team will decide in which order you wish to make your way to each address. There will be food and potties at each location.

Teams will leave ATC every 2 minutes, starting at 9am. Your team's start time will be determined by the order in which you sign up.

After your team has checked in at all three locations then you will make your way back to ATC, where we will celebrate your speedy or not so speedy return with some fun beverages and yummy food.

Your finish time will be determined by the last person on your team to roll into ATC. This is a team effort...No man or woman left behind!

Due to inflation and the rising cost of tubes, entry fee has increased to \$90 this year. If you sign up after the 17th, entry fee will be \$110.

**SATURDAY, JANUARY 23RD**

Held under USA Cycling permit 2016-145

**The 2nd Annual Grand Fondo, in the style of the unforgettable and often remarked upon –Woolly Mammoth Ultra Provacotoria!**
